

Welcome to SHREE BHAGWATI SURGICAL your one-stop destination for all kinds of surgical items and equipment you get here at a much attractive price being one of the leading manufacturers and suppliers. We started our journey in the year 1982 and the main USP of our company is that we never compromise on the product quality and always focus on providing the best-in-class customer support. Initially we started our venture by manufacturing IV Set only and slowly we expand ourselves into Pan India level. Now we are one of the leading supplier for Sterile Latex Surgical Gloves. Our surgical gloves Brand – MEDIFIIT is well accepted. Then, gradually we began manufacturing all kinds of surgical products which we are right now Export and Government Tenders by supplying products to customers.

We offer all kinds of support to clients in this regard if they have any sorts of queries regarding any of our products. And we have got a series of certificates MDR, ISO, CE, QMS, GMP, etc. Apart from that we have personal laboratory for testing all manufactured surgical products by us so here you can remain rest assured regarding the quality of each of our products. Well, we have got a wide range of products starting from Infusion Therapy, Disposable Gloves, Anesthesia, Surgery, Urology and other Miscellaneous products.
